

2009 ERIE COUNTY ENVIROTHON

Registration Application

Registration

Completing and submitting this form will register your school for the 2009 Erie County Envirothon. The Envirothon is a two-day, outdoor event that includes a workshop day on **April 2, 2009** and a competition day on **April 30, 2009**. *The Envirothon will be held regardless of inclement weather, so please dress warmly and wear appropriate footwear both days.* Please feel free to call Melanie Saunders at the District office (652-8480) with any questions or concerns. There is no registration fee this year.

Team Membership

Up to *two, five-member teams* from each school may participate in the Envirothon. Envirothon team rosters may change up until April 2, 2009. Your final team roster needs to be submitted at the Envirothon Workshop Day on April 2nd. It is not necessary that teams have an "alternate." An alternate may replace a registered team member who is unable to participate at the competition. *It is required that each team of students be accompanied by a teacher/advisor on both the workshop and competition days.*

Team Workshop

Your team(s) will need to attend the Team Workshop Day (April 2nd) to gain valuable information that will help them during the competition, and also to give their *five-minute oral presentation* that contributes to their final Envirothon score. (Oral presentation explained in greater detail on "General Information" page).
