

Erosion and Sediment Control Workshop

NYSDEC-endorsed 4-hour GP-0-08-001 Training

for Construction Site Contractors and Operators

Sponsored
By:

**Erie County Soil and
Water Conservation
District**

**Western New York
Stormwater Coalition**

Date: Thursday February 25, 2010

Location: Erie County Fire Training Facility - Training & Ops Center Aud.
3359 Broadway
Cheektowaga, New York 14227

Instructor: Paula Smith, CPESC, CPSWQ
Don Stribick, CPESC, District Conservation Technician

Time: 8:00 AM Registration
8:30 AM to 12:30 PM Workshop

Cost: \$85.00 (includes refreshments and all workshop training materials)

- ◆ Pre-registration and pre-payment (cash, check, money order) is required
- ◆ Space is limited - class is filled on "first come - first serve" basis

Contractors and Site Inspectors are Required to Attend

This workshop will provide the required training for contractors and inspectors to comply with the SPDES General Permit for Stormwater Discharges from Construction Activity (GP-0-08-001). All individuals responsible for installing, constructing, repairing, maintaining or inspecting erosion and sediment control measures or constructing post construction stormwater management practices at SPDES-permitted construction sites are required to attend a DEC-endorsed 4-hour training course every three years. Construction Site Inspectors who are not a CPESC, or licensed as a PE or LA are also required to attend.

What You Will Learn

Learn about why stormwater is a concern. Gather information on the GP-0-08-001 permit and the requirements of Stormwater Pollution Prevention Plans (SWPPPs). Gain knowledge on erosion and sediment control practices and how to perform site inspections. Discover where you can get technical assistance on erosion and sediment control problems.

Pre-Registration is required by February 16, 2010

Attendees must contact Don Stribick to register:

Email: don.stribick@ny.nacdnet.net

Phone: 716-652-8480 ext. 5

Cancellations after February 19, 2010 cannot be refunded
