

**ERIE COUNTY SOIL & WATER CONSERVATION DISTRICT  
2016 BASS/MINNOW ORDER FORM**

**Instructions:** Complete the order form below. *Retain the bottom section for your records.*  
Clip and return the top section along with your check or money order payable to: **Erie County SWCD**

**Mail to :** Erie County Soil and Water Conservation District  
50 Commerce Way - East Aurora, NY 14052-2185

**Fish Order Pick-Up: Saturday July 16th, 2016 10:00am**

*Orders Accepted through July 11th, 2016*

**Recommended Stocking Rates:** Warm and Cool Water Ponds: > 72 degrees.  
100 Bass/surface acre. 400 Minnows/surface acre. One acre equals 43,560 square feet.

Initial stocking of new ponds should establish minnows or forage fish first  
or increase stocking to 1000 minnows or more per 100 bass due to predation.

**Minimum order is 25 Bass or 100 Minnows**

**Bass/Minnow Pick-Up: Saturday July 16th, 2016 10:00am**

*Please be prompt, truck will be here at 10:00am only. Order must be picked up at that time.*

**\*\*\* No refunds will be given for fish not picked up\*\*\***

**\*\*The Erie County Soil & Water Conservation District is not responsible for fish after they leave the pick-up area\*\***

Transport: Fish will be distributed in cold water, oxygenated bags. It is recommended that you acclimate the fish to the pond water. This is done gradually over 1 to 2 hours by adding pond water to the bag/container.

Pick up fish at the SWCD office at **50 Commerce Way, behind the East Aurora Post Office on Route 20A**  
**at the western edge of the Village of East Aurora.**
